HIRSCHVERGNÜGEN GRÜNER VELTLINER 2016

TASTING NOTE

Bright green yellow hue, fine apple characters with a lemony touch, delicate mango, floral nuances. Juicy white pear fruit - light-footed and approachable style. Crisp, refreshing and quite quaffable

12 % alc/vol dry, stainless steel maturation

Wine produced from vineyards currently in conversion to organic farming

As the name suggests, the Hirsch (meaning deer in English) is an easy drinking style of Grüner Veltliner produced from vines that grow on loess soils. Despite its nimble body, it impresses with its depth, juicy fruit and white pepper spice.

HIRSCHVERGNÜGEN

Since 2002, our HIRSCHVERGNÜGEN wine has attracted acclaim. Every vintage, we commissioned a new label from a prominent artist. Now, we have incorporated the wine into our current label design.

THE 2016 VINTAGE

A mild winter was followed by a dry March. April brought extreme changes in weather conditions, with an unexpected, abrupt late frost, which has affected the yield of many Grüner Veltliner vines. The summer months were generally quite humid, with periods of heat spells combined with much rainfall. Therefore we were very busy in our vineyards. September was sunny and warm, with cooler nights coming more towards the end of the month, which helped to retain the aromas in the grapes. The 2016 wines show an abundance of fruit characters and are generous in aromas and taste. Good complexity with refreshing acidity and length.
